Members, Board of County Commissioners

FROM: 
Carlos Alvarez, Mayor
Miami-Dade County

SUBJECT: South Florida Regional Planning Council

I would like to express my sincere gratitude to the Board of County Commissioners for its diligent work with the South Florida Regional Planning Council (SFRPC). Commissioners Katy Sorenson and Sally Heyman deserve commendation for their commitment to active participation, as demonstrated by their excellent attendance record in regards to the SFRPC. The Miami-Dade Board of County Commissioners' involvement with the SFRPC is of vital importance and their continued interest is an asset to the Board of County Commissioners and to the residents of Miami-Dade County.

It is critically important that engaged participants such as Commissioners Heyman and Sorenson continue to represent the best interest of our community. Specifically, the experience and background knowledge they bring to the SFRPC is crucial in providing valuable dialogue and exchange between the Council and the Board of County Commissioners.

As the situation stands today, the County is entitled one more SFRPC appointment. I strongly encourage that you take advantage of this valuable opportunity to help shape the future of Miami-Dade County as soon as possible. Your attention to this matter is greatly appreciated and I look forward to seeing your choice for appointment to the SFRPC.
